The Reilly Rendezvous is about the gift of life and fellowship. This day in the country, honors the memory of Tim Reilly, and to you his many friends. Friends who made a difference not only during Tim's lifetime, but to the rest of the Reilly family as well.

So please join us for a round of golf and a reception at one of the areas best links style courses, in a game that Tim loved to play.

See you all on the 5th!
